

## TMF Expands in APAC

We are pleased to announce that we have reached an agreement for Sino Corporate Services Group to join TMF Group.

TMF Group is a leading provider of critical administrative services, helping clients invest and operate safely around the world. TMF's 9,100 experts and 120 offices in 86 jurisdictions worldwide serve corporates, financial institutions, asset managers, private clients and family offices, providing the combination of accounting, tax, payroll, fund administration, compliance and entity management services essential to global business success.

This acquisition marks an exciting milestone for our business. Since starting our business we have been successfully expanding our company. This has been in no small part due to the support that we have received from our loyal clients, many of whom have been with us from the start. Becoming part of TMF Group will allow us to provide a more expanded range of international services to our clients, enabling them to engage one service provider for all their jurisdiction needs. In addition to greater career opportunities, our staff will increase their knowledge of a wider range of world economies.”

Notwithstanding this expansion, you will continue to work with the same people in our firm that you have in the past. All of our people are being retained in their current roles. The services we currently provide you with, we will continue to offer.

If you have any questions about this exciting news and what it will mean for you, please contact any of us at any time. We look forward to introducing you to some of TMF Group's colleagues in due course.

We are grateful to you not only for giving us the opportunity to provide you with our services but for your loyalty and friendship, which have enriched our relationship. We are confident that our new affiliation will serve us all well.
